

Match highlights: Toulouse vs Noe at Mondonville on 8 May 2011

Toulouse 140 A.O in 35 overs, Noe 144/4 in 25 overs

- Syed Ali's bowling that broke Toulouse's middle order thereby hastening their end. His planning and enthusiasm brought him 4 quick wickets including that of the Toulouse skipper Neil who was hitting the ball rather well.
- Sriram's new ball swing bowling which deserved more success than the solitary wicket he got for his 4 over spell.
- Satish's diving catch, taking the ball inches off the ground, to dismiss Toulouse top scorer Hinton off Daniel's bowling.
- Stephane's big hitting towards the end when Noe was closing in on the target of 141 runs.
- The teas provided during the innings break should be commended for its quality and quantity.

Verdict: A good bowling performance meant that once again Noe's batsmen weren't tested much on a pitch which had uneven bounce. Ali is the Man of the Match for his spell of 4.4 overs – 11 runs – 4 wickets.
